

Racine Wisconsin Unidentified

Located: July 21, 1999

Age 17-30

Sex: Female

Race: Unknown

Hair Color: Brown

Eye Color: Brown

Height: 5'8"

Weight: 120 lbs.

Location Found::

RACINE, WI

General information:

This homicide victim was found alongside a cornfield in a rural area of Wisconsin on July 21, 1999. She is believed to be between 18 and 30 years old. Her eyes were brown, but do not exclude hazel. Each ear was double pierced and there appears to be no scars or tattoos. She was wearing a silver/gray shirt shown at right. She had sun highlights in her short brown hair. The "Missing" field is the date she was found, and the "Missing From" field is the location she was found. The image shown is a NCMEC computer-assisted facial reconstruction.
